Dear Kelvin:

It is a pleasure to extend our congratulations on being one of the recipients of this year's Public Schools of Hawaii Foundation Good Idea Grant.

You were selected for this award based on a curriculum that is driven by problem-solving, discovery, exploratory learning and a requirement for students to actively engage in a situation in order to find a solution. Because your grant request exhibited elements that will allow students to become creative, innovative, and critical thinkers, the selection committee agreed that you were particularly worthy of this grant.

Enclosed is a check from the Public Schools of Hawaii Foundation to support your project. Expenditure of the grant money you received requires documentation. Please submit copies of all expenses to the Hawaii State Teachers Association (1200 Ala Kapuna St. Honolulu, HI 96819; Attn: IPD Department) by August 31, 2012. Should you have any questions, please contact the Instruction and Professional Development Specialist Stacy Nishina at 840-2236, or email her at snishina@hsta.org.

Your dedication to learning exemplifies a spirit of commitment that only comes from within. Again, congratulations and enjoy implementing your *Good Idea*.

Sincerely,

Wil Okabe
